Retraction: Tuftelin 1 (TUFT1) promotes the proliferation and migration of renal cell carcinoma via PI3K/AKT signaling pathway

Pathology and Oncology Research Editorial Office*

A Retraction of the Original Research Article
Tuftelin 1 (TUFT1) promotes the proliferation and migration of renal cell carcinoma via PI3K/AKT signaling pathway

by Lin H, Zeng W, Lei Y, Chen D, and Nie Z. Pathol. Oncol. Res. (2021) 27:640936. doi: 10.3389/pore.2021.640936

Following publication, concerns were raised regarding the scientific validity of the article. An investigation was conducted in accordance with POR policies.

The authors have remained unresponsive to multiple requests for the raw data for this study. Given extant concerns over the validity of the study, the article has been retracted.

This retraction was approved by the Editor in Chief of POR. The authors have not responded to correspondence regarding this retraction.
